### Drums

At a very young age, his dad noticed Dennis had a knack for rhythm, hitting items everywhere, and at age 8, enrolled him in lessons. He played in several local bands, covering many genres of music from Top-40 Hits to Progressive Rock. In the 80's, through a Toronto radio station, played in warm-up bands, where popular Canadian bands headlined. In the 90's, due to family and career, reduced live performances, playing

fund raising rock shows into the 2000's. Most recently, providing drum-tracks for his son's original recordings. Dennis appreciates the opportunity to return to live performances as the drummer in Outcast.

### Bass

Kevin Boden is a bass guitar player & vocalist based in Keswick, Ontario. Kevin started his musical journey in the 1970's and played in several bands in the 80's. After taking a break from music due to career & family, he has been back to performing live in several bands since 2013. Kevin has also recently been spending time in his recording studio working on original music.
